NONE LIKE HIM

10 ways God is different from us (and why that's a good thing)

There really is no-one like our God. He is self-existent, self-sufficient, eternal, immutable, omnipresent, omniscient, omnipotent, sovereign, infinite and incomprehensible. In so many ways we are not like him and that's actually a really good thing. We see in scripture that our limitations are intentional, we were never meant to be God. This means the root of so much of our heartache is when we try to be like God in ways we were never meant to be. This also means he is more wonderful and dependable than we ever imagined. I pray our hearts are filled with awe and wonder as we behold our awesome God. There really is none like him.

EVENTS COMING UP

Sunday morning change of Venue – 12th March onwards

We are changing venue from 12th March onwards and will be meeting at Attleborough Community Hub (Independence Matters), Station Rd, Attleborough NR17 2AT. When you arrive head down the left hand side of the building and park in the large car park at the back. We are meeting in a separate hall building at the back (there will be people directing) don't go to the front door!

Prayer triplets – Gathered in His name

One Church Leader said recently 'Dogs bark, birds fly, believers pray. We are wired to commune with our creator. Not to do so is a sign something is wrong'. Imagine homes and workplaces across Attleborough ablaze with fervent prayer. Groups of three gathering in the name of Jesus, supporting each other and seeking his Kingdom. This is the vision for prayer triplets. Whether you are brand new to prayer, or a seasoned intercessor, these gatherings will be for YOU. Various times and locations throughout the week. Speak to Rob if you would like to join a group. Please note during 2017 we will not be having Community Groups.

HARMONISE – worship and prayer – 22nd March, 7:45 – 9:30pm at The Lighthouse

God is an awesome Father who knows each of us intimately. He has the best plan for us and delights in speaking over us constantly. Join us and spend time with Him, seeking His heart for us, encourage one another in the gifts He has given you. He doesn't call us to all be the same, we all contribute a different note together to express His plan for us as individuals and as His body, to "harmonise" with Him.

The Hardest Word – Good Friday, 14th April, The Lighthouse timings TBC

On Good Friday 2017, we would like to offer our Church and the people in our community an opportunity to do something simple but profound. Scripture tell us that Jesus died 'for the sins of the whole world' 1 John 2:2. It seems fitting then

that for two thousand years Good Friday, the anniversary of his death, has often been a day of solemn reflection and fasting, a day when people have taken the time to lay aside differences and admit their mistakes. Perhaps most famously in 1998 there was an agreement of peace between two warring sides in Northern Ireland. To say sorry can be the first step to repairing the damage and making things right. The hardest word is an interactive prayer space where anyone can come and reflect on the anniversary of the death of Jesus. More details to follow.
