## NEW SERMON SERIES - ACTS

We've started singing a new song in recent months with a cracking final verse:

*And the Church of Christ was born  
Then the Spirit lit the flame  
Now this gospel truth of old  
Shall not kneel shall not faint*

Over this coming season we're going to start digging into the incredible true story of the birth of the Church. It's a moment in history that has changed our world forever. It's a gripping story. The simple clarity of how the early believers lived for Jesus continues to inspire God's people in every generation. Many find a fresh hunger awakened for God's power to come upon his people today when they revisit this extraordinary outpouring of the Holy Spirit. May we marvel at this old story with wide open eyes, soft hearts and hard feet ready to once again take this ancient gospel wherever Jesus sends. The story is continuing in us.

**Missed a talk?** Remember sermons are uploaded on our website every week and can be found here: [www.christcommunitychurch.co.uk/talks/](http://www.christcommunitychurch.co.uk/talks/)

## WHO CARES?

We continue to see people's lives changed by Jesus through this simple act of asking people 'what hurts the most?' and responding with hope and compassion to what comes up. Rob had the privilege of training churches in his home town of Colchester who are at this very moment working together and finding out about the hurts of their local community. Locally the responses keep pouring in and we're going to have a special Sunday on the 1<sup>st</sup> December where our Paige is going to be bringing gospel hope to one of the issues people have been telling us about.

A friendly space for Internationals to practise English, learn about cultural differences and receive help and advice. Everyone welcome.  
**Mondays 10 – 11.30am, The Lighthouse, key contact: Sharon.**
